Staff Appreciation Dinner
May 6, 2014

One Hundred Years from now
It will not matter what kind
of car I drove,
What kind of house I lived in,
How much money was in my
bank account, nor what my
clothes looked like.
But the world may be a better
place because I was important
in the life of a child.

WE WILL MISS YOU!

A sincere thank you to Mr. Westover and
Mrs. Spurlock who will be leaving us this year.
Their contributions to our high school and students
are greatly appreciated and will be missed.
They have touched the lives of many young people
and this is what teaching is all about.

Thank you Mrs. Bratt for your many
years of service at the elementary
school and all the skills that you
have helped the students learn.
They have enjoyed learning from
such a caring, fun teacher.
We wish you the best in all of
your life's endeavors.

Big "T" the time has finally come,
And soon you will be out on your own.
Looking back through the year we can say,
"For certain you have grown."
We will miss your smile,
your laugh, your charm,
We will miss you indeed.
The thing we won't miss however
Is what you cost to feed!
Love,
Mom and Dad

Here's to the students of this great school,
Who study and slave to learn life's rule.
To teachers who work with all their might,
To see that students are taught just right.

Together they have a world of fun,
Shaping memories of things well done.
Telling their story with photos and prose,
Informal and candid, for pictures they pose.

You're young only once, so live life well,
And leave a record you're proud to tell.
It may be amusing, but make it true,
Others will follow the same path as YOU.
